

**May 19, 2017**

## **CONSTRUCTION NOTICE**

Dear Residents,

Further to our previous notice of March 10, 2017, we wish to notify residents of the continued need for closure of the north lane and sidewalk along Hillside Ave. East and other construction activities through the summer months at our Art Shoppe Lofts + Condos development at 2131 Yonge St.

### **May to June, 2017**

We still require occasional closure of the north lane and sidewalk along Hillside Ave. East from approximately 6:00 am to 6:00 pm until the end of June 2017. North lane and sidewalk will be open after hours from approximately 6:00 pm to 6:00 am during weekdays and remain open 24 hrs on weekends and holidays (if applicable).

Construction crews will use cones and traffic control during these closures.

### **May to August, 2017**

We continue to place rebar and concrete for our parking levels at the site. We anticipate there being up to 10 concrete trucks daily along with approximately 4 "cube" trucks and 2 delivery trailers daily.
